ANNOUNCEMENTS from the auction block will take precedence over printed material in the catalog. Up-to-date information on breeding will be available Sale Day.

BIDDING: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

INSURANCE OF PURCHASES AND RISK: All animals are at owner's risk and become the property of the purchaser as soon as declared sold. Arrangements will be made to have insurance available when making settlement.

HEALTH: Most females are calfhooed vaccinated and a complete preventative health program is followed; including 7-way H/S, 9-way type II BVD, Cydectin.

TRUCKING: Trucking will be available. Holley Land & livestock will assist buyers in making the most economical trucking arrangements possible.

HOLLEY LAND & LIVDSTOCK IS AN AGENT ONLY: It is to be clearly understood that Holley Land & Livestock is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations; neither does Holley Land & Livestock assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action, that may in exceptional cases be taken, must be between the buyer and seller. The auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearances prior to the Sale with the owner or Sale Manager.

BREEDER'S GUARANTEE: All breeding cattle sell per their description in the catalog. All steers that can be registered will be registered at the buyer's request and expense. Females-Cows represented as being "safe in calf" have been examined and declared safe by a licensed veterinarian. They are considered breeders without further guarantee. The buyer, at their expense, has a 24 hour option to have a licensed vet examine the cow before the animal leaves the premises. Cows with calves at side, or split off, shall be considered breeders without further guarantee. Cows and heifers represented as bred are not guaranteed "safe in calf" but they and open heifers selling as individual lots are guaranteed to be breeders. No guarantee shall apply to suckling calves, cattle that are shown, or used in embryo transfer. No guarantee is given that a pregnant female will deliver live calves or that she will carry calves full term or that the calves carried will not be resorbed, aborted, abnormal or mummified. In no event shall the seller be responsible for more than the purchase price and has the right to prove said female a breeder within six months. The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness or injury not apparent at Sale Time.
