Announces Its Ownership of the
Legendary KBar Cow 008
Donor Sire: Blizzard Whiteout
Donor Dam: KBar Cow 726
(Charolais X Angus)

The KBar Cow 008 is the best three-quarter Charolais cow ever to work at K- Ranch, according to Dean. She is the dam of White Fang, a noted K- herd sire by Full Flush whose calves have been top-sellers for the past three years. Her 2007 daughter Wildcat, K-Camilla 008T, was sold by Gary Grublneck and went on to claim Reserve Grand Champion AOB of both the junior and open shows at the 2008 New Mexico State Fair. Other calves by Full Flush and Red Hot have been top performers as this cow performs as well as she looks. Bill Thorne purchased this female for \$36,000 in the 2007 K Bar Sale. He is now offering pregnancies for spring and fall calving as well as a few select club calves.
